- ✓ **UEI:** FKJ2BSLYMMT4
- ✓ **CAGE Code:** 184X8
- ✓ **Business Type:** Small Business | VOSB
- ✓ **NAICS Codes:** 238290 (Primary) | 238210 | 561210 | 333999

Company Overview

Legacy LGX LLC is a **Veteran-Owned Small Business** specializing in industrial equipment installation, commissioning, and production support.

With over **25 years of experience**, Legacy LGX delivers mission-critical solutions that minimize downtime, support facility expansions, and ensure operational readiness.

Performance Summary

Execution Capacity

- **639** Projects Completed
- **~80** Projects Annually (Average)
- **136** Projects in One Year
 - Peak Volume
- **\$113.5M Total Revenue Delivered**
 - **\$10+**million-dollar contracts
 - Proven capability

Core Competencies

- Industrial Equipment Installation
- Mechanical & Electrical Assembly
- Commissioning & Startup Support (SOP Readiness)
- Production Line Integration & Facility Support
- Project & Field Coordination (Prime Contractor Execution)

Key Performance Highlights

- **Consistent** execution across **high-volume and high-value projects**
- **Strong** track record meeting **critical production deadlines (SOP)**
- **Demonstrated** ability to scale operations rapidly
- **Zero**-incident safety performance on major projects
- **Rapid** Deployment & Scalable Workforce
- **Proven** Low-Risk Execution in Active Production Environments
- OSHA 10 & 30 Certified Workforce

Past Performance

Automated Storage & Retrieval System Installation

Client: Tier 1 Automotive Supplier

Role: Prime Contractor

Value: \$5,450,250

- Executed multi-phase seamless turn-key installation aligned with plant shutdown schedule
- Installed ~50% of equipment during July shutdown with operational integration startup achieved same month
- Led ASRS installation & expansion in newly constructed facility with full commissioning by December
- Coordinated across construction and live production environments
- On-time SOP delivery
- Zero safety incidents

Integrated Mfg Systems Deployment Program

Client: Tier 1 Automotive Supplier

Role: Prime Contractor

Value: \$9,922,112

- Managed four turnkey integrated project scopes within new facility construction
- Directly managed materials procurement, equipment assembly, logistics, installation, and commissioning
- Delivered phased equipment installation aligned with construction schedule
- Completed on schedule
- Fully aligned with facility startup timeline
- Zero safety incidents
